Name : .....

## ST MARY'S COLLEGE (AUTONOMOUS), THRISSUR-20

# I SEMESTER B.Voc DEGREE EXAMINATION, November 2024 SDC1MM02: Multimedia Tools & Techniques Part 1 2024 Admission Onwards

(Credits: 4)
Time: 2.5 Hours

Maximum Marks : 80

#### Section A

Short answer type carries 2 Marks each (Ceiling 25 Marks)

2. What is the definition of multimedia? [BTL2] 3. Describe the differences between serif and sans serif fonts. [BTL1] 4. What are the selection tools in image editing software? [BTL2] 5. Can you explain the difference between exporting a 3D model as a .OBJ file and a .STL file in Photoshop? 6. What is a "complementary color"? [BTL1] 7. What are the key components of multimedia? [BTL3] 8. Discuss the impact of typography on readability and viewer engagement. [BTL3] 9. Explain how layers are used in digital image editing. [BTL4] 10. How do the Dodge tool and Gradient tool differ in their effects on an image? [BTL4] 11. What is the difference between linear and nonlinear multimedia? [BTL3] 12. Can you list the differences between bitmap fonts and vector fonts? [BTL4] 13. Can you demonstrate how to use the toolbar to create a new document? [BTL5] 14. What are the steps to create a new workspace in Photoshop's interface? [BTL5] 15. Identify a recent design trend and explain its potential long-term effects on the industry.	1	What is meant by "positive space" in visual design?	[BTL1]
3. Describe the differences between serif and sans serif fonts.  4. What are the selection tools in image editing software?  5. Can you explain the difference between exporting a 3D model as a .OBJ file and a .STL file in Photoshop?  6. What is a "complementary color"?  7. What are the key components of multimedia?  8. Discuss the impact of typography on readability and viewer engagement.  9. Explain how layers are used in digital image editing.  10. How do the Dodge tool and Gradient tool differ in their effects on an image?  11. What is the difference between linear and nonlinear multimedia?  12. Can you list the differences between bitmap fonts and vector fonts?  13. Can you demonstrate how to use the toolbar to create a new document?  14. What are the steps to create a new workspace in Photoshop's interface?  15. Identify a recent design trend and explain its potential long-term effects on the	1.	what is meant by positive space in visual design:

What is the definition of multimedia?	[BTL2]
5. Can you explain the difference between exporting a 3D model as a .OBJ file and a .STL file in Photoshop?  6. What is a "complementary color"?  7. What are the key components of multimedia?  8. Discuss the impact of typography on readability and viewer engagement.  8. Explain how layers are used in digital image editing.  9. Explain how layers are used in digital image editing.  10. How do the Dodge tool and Gradient tool differ in their effects on an image?  11. What is the difference between linear and nonlinear multimedia?  12. Can you list the differences between bitmap fonts and vector fonts?  13. Can you demonstrate how to use the toolbar to create a new document?  14. What are the steps to create a new workspace in Photoshop's interface?  15. Identify a recent design trend and explain its potential long-term effects on the	3.	Describe the differences between serif and sans serif fonts.	[BTL1]
STL file in Photoshop?  6. What is a "complementary color"?  7. What are the key components of multimedia?  8. Discuss the impact of typography on readability and viewer engagement.  9. Explain how layers are used in digital image editing.  10. How do the Dodge tool and Gradient tool differ in their effects on an image?  11. What is the difference between linear and nonlinear multimedia?  12. Can you list the differences between bitmap fonts and vector fonts?  13. Can you demonstrate how to use the toolbar to create a new document?  14. What are the steps to create a new workspace in Photoshop's interface?  15. Identify a recent design trend and explain its potential long-term effects on the	4.	What are the selection tools in image editing software?	[BTL2]
7. What are the key components of multimedia? [BTL3] 8. Discuss the impact of typography on readability and viewer engagement. [BTL3] 9. Explain how layers are used in digital image editing. [BTL4] 10. How do the Dodge tool and Gradient tool differ in their effects on an image? [BTL4] 11. What is the difference between linear and nonlinear multimedia? [BTL3] 12. Can you list the differences between bitmap fonts and vector fonts? [BTL4] 13. Can you demonstrate how to use the toolbar to create a new document? [BTL5] 14. What are the steps to create a new workspace in Photoshop's interface? [BTL5] 15. Identify a recent design trend and explain its potential long-term effects on the	5.		[BTL2]
8. Discuss the impact of typography on readability and viewer engagement.  [BTL3]  9. Explain how layers are used in digital image editing.  [BTL4]  10. How do the Dodge tool and Gradient tool differ in their effects on an image?  [BTL4]  11. What is the difference between linear and nonlinear multimedia?  [BTL3]  12. Can you list the differences between bitmap fonts and vector fonts?  [BTL4]  13. Can you demonstrate how to use the toolbar to create a new document?  [BTL5]  14. What are the steps to create a new workspace in Photoshop's interface?  [BTL5]  15. Identify a recent design trend and explain its potential long-term effects on the	6.	What is a "complementary color"?	[BTL1]
9. Explain how layers are used in digital image editing.  [BTL4]  10. How do the Dodge tool and Gradient tool differ in their effects on an image?  [BTL4]  11. What is the difference between linear and nonlinear multimedia?  [BTL3]  12. Can you list the differences between bitmap fonts and vector fonts?  [BTL4]  13. Can you demonstrate how to use the toolbar to create a new document?  [BTL5]  14. What are the steps to create a new workspace in Photoshop's interface?  [BTL5]  15. Identify a recent design trend and explain its potential long-term effects on the	7.	What are the key components of multimedia?	[BTL3]
10. How do the Dodge tool and Gradient tool differ in their effects on an image? [BTL4]  11. What is the difference between linear and nonlinear multimedia? [BTL3]  12. Can you list the differences between bitmap fonts and vector fonts? [BTL4]  13. Can you demonstrate how to use the toolbar to create a new document? [BTL5]  14. What are the steps to create a new workspace in Photoshop's interface? [BTL5]  15. Identify a recent design trend and explain its potential long-term effects on the	8.	Discuss the impact of typography on readability and viewer engagement.	[BTL3]
11. What is the difference between linear and nonlinear multimedia? [BTL3]  12. Can you list the differences between bitmap fonts and vector fonts? [BTL4]  13. Can you demonstrate how to use the toolbar to create a new document? [BTL5]  14. What are the steps to create a new workspace in Photoshop's interface? [BTL5]  15. Identify a recent design trend and explain its potential long-term effects on the	9.	Explain how layers are used in digital image editing.	[BTL4]
12. Can you list the differences between bitmap fonts and vector fonts?  [BTL4]  13. Can you demonstrate how to use the toolbar to create a new document?  [BTL5]  14. What are the steps to create a new workspace in Photoshop's interface?  [BTL5]  15. Identify a recent design trend and explain its potential long-term effects on the	10.	How do the Dodge tool and Gradient tool differ in their effects on an image?	[BTL4]
13. Can you demonstrate how to use the toolbar to create a new document? [BTL5]  14. What are the steps to create a new workspace in Photoshop's interface? [BTL5]  15. Identify a recent design trend and explain its potential long-term effects on the	11.	What is the difference between linear and nonlinear multimedia?	[BTL3]
14. What are the steps to create a new workspace in Photoshop's interface? [BTL5]  15. Identify a recent design trend and explain its potential long-term effects on the	12.	Can you list the differences between bitmap fonts and vector fonts?	[BTL4]
15. Identify a recent design trend and explain its potential long-term effects on the [BTL5]	13.	Can you demonstrate how to use the toolbar to create a new document?	[BTL5]
To the state of th	14.	What are the steps to create a new workspace in Photoshop's interface?	[BTL5]
	15.		[BTL5]

#### **Section B**

Paragraph types carries 5 Marks each (Ceiling 35 Marks)

- 16. Analyze the benefits of collaboration between designers and clients in the design process. [BTL4]
- 17. Compare and contrast lossy and lossless compression techniques in digital media file formats. [BTL4]

**Turn Over** 

18. If you were designing educational content, how would you use text design techniques to help maintain audience attention?	[BTL3]
19. How would you use multimedia to enhance a classroom presentation on environmental conservation?	[BTL3]
20. Discuss how visual metaphors can enhance communication in design.	[BTL3]
21. Evaluate the effectiveness of using symbols and icons for navigation menus compared to text-based options.	[BTL1]
22. How important was the invention of multimedia in the field of education?	[BTL1]
23. Compare how unity and harmony work together versus how contrast can create visual interest.	[BTL2]

### **Section C**

Essay-type carries 10 Marks: Answer any two questions.

- 24. Describe the functionalities of the Marquee Tool, Clone Stamp Tool, and Magic Wand Tool in image editing software. What are their primary purposes?
  25. Explain how pixel resolution affects the clarity and detail of an image. Include examples of different resolutions and their typical uses in digital media.
  26. Describe a step-by-step process for creating a graphic using the Pen Tool, while setting and adjusting the foreground and background colors. Include specific examples of how color choices enhance the design.
- 27. Evaluate the effectiveness of the Transform Tools in enhancing image composition. [BTL5] Discuss the advantages and potential pitfalls of using these tools in digital design.
